

FIELD ACTION | FDA RECALL

Accountability. Consistency. Innovation.

Facing an FDA Recall? EMSAR has you covered!

FDA product recalls impact hundreds of manufacturers every year and can cause devastating effects on a manufacturer's finances and reputation. It is crucial to have the adequate resources, expertise, and systems in place to avoid irreversible brand damage and revenue loss.

OUR SOLUTION:

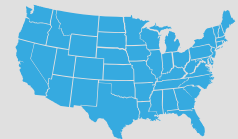

- + Planning, Consulting & Regulatory Reporting
- + Centralized Recall Project Management
- + Recall Execution
 - Rapid Field Dispatch
 - Depot Repair
- + FDA Action Remediation with Live Tracking Capabilities

At EMSAR, we pride ourselves on our responsiveness and professionalism. If your company is facing an FDA Recall, we execute timely solutions at a fixed rate cost per unit.
